Dear School Administrators,

One of your students plays for our select volleyball club team at FW Fire Volleyball Club. They are competing in the 2024 Lonestar Classic National Qualifier in Dallas, Tx on the weekend of April 6-8, 2024. The final day of this event will be played on Monday, April 8th.

Please consider this letter for allowing their absences to be excused. Players are aware they are still responsible for all missed work. Should you have any questions, you can contact me at the number listed below. I appreciate your consideration.

Sincerely,

Cody Hanson
